## **QUOTE OF THE DAY**

"The ultimate sin of any performer is contempt for the audience." – Lester Bangs

"My creed is that public service must be more than doing a job efficiently and honestly. It must be a complete dedication to the people and to the nation with full recognition that every human being is entitled to courtesy and consideration, that constructive criticism is not only to be expected but sought, that smears are not only to be expected but fought, that honor is to be earned but not bought." – Margaret Chase Smith

"There's a world of difference between truth and facts. Facts can obscure the truth." – Maya Angelou

"The first half of life consists of the capacity to enjoy without the chance; the last half consists of the chance without the capacity." – Mark Twain

"All mankind is divided into three classes: those that are immovable, those that are movable, and those that move." – Arabian Proverb

"I think that when you get dressed in the morning, sometimes you're really making a decision about your behavior for the day. Like if you put on flipflops, you're saying: 'Hope I don't get chased today.' 'Be nice to people in sneakers.'" – Demetri Martin
